THE KATY PRAIRIE - FLAT OUT WONDERFUL

AMERICAN KESTREL

WHITE-TAILED HAWK

RED-TAILED HAWK

Williams Prairie Preserve

## Wild West Tours Raptor Tour

*Wild West Tours* offer a chance to dig your heels into some of the best that the Katy Prairie has to offer. Each of these intimate outings, led by local naturalist Glenn Olsen, offers a close-up look at a particular aspect of the prairie.

### About our Raptor Tour

Join us as we watch for raptors as they return to North America and their breeding territories. Many, but not all, of these birds will have spent the winter months in Central and South America. Species that we anticipate seeing include Mississippi kite, Cooper's hawk, northern harrier, broad-winged hawk, Swainson's hawk, white-tailed hawk, Red-tailed hawk, crested caracara, American kestrel, peregrine falcon, red-shouldered hawk and maybe a surprise bird or two! While we will focus on Raptors, we will not ignore the numerous other birds that will be about, either lingering winter residents or newly arrive spring migrants.

**Guide:** Glenn Olsen

**Date/Time:** March 6, 2010 | 6:30 am -12:00 pm

**Location:** Meet at [Field Preserve](#)

**Registration:** Required. Space limited. Call 713.523.6135 or e-mail us at [info@katyprairie.org](mailto:info@katyprairie.org) for more details
